EJ|USA: Fourth of July – Everyone's Invited

*U.S. Department of State
Vol. 19 | No. 1 | July 2014*

In all 50 states, Americans, naturalized citizens, and tourists alike celebrate the 238th year of U.S. independence. Plus, where teens are spending their summers, why the health of our oceans affects our planet and how you may one day get to be a tourist in space.

This issue features articles about newer immigrant communities planning to celebrate the Fourth of July and about refugees resettling in the United States.
